EXHIBIT OPENING & VOLUNTEER SPEAKER

SUNDAY, APRIL 28, 1 PM

DINOSAUR RIDGE | DISCOVERY CENTER (17681 W ALAMEDA PARKWAY, GOLDEN)

Join us for the ribbon cutting of our newest exhibit: "Celebrating the Past and Building the Future: 30 Years at Dinosaur Ridge."

30 years ago a small group of concerned citizens pulled together to protect and save a world-class dinosaur destination. This new interactive exhibit will feature photos, audio clips, and video footage spanning three decades of volunteerism, friendship, and fun that made it all possible. Several of Friends of Dinosaur Ridge's founders and long-time staff will gather to share personal stories and reminiscence about their days in the dirt at Dinosaur Ridge. Enjoy light appetizers and drinks and find out how you can help build the future by volunteering. This event is FREE and open to the general public.

- Soft opening 12:30
- Ribbon cutting 1:00
- History of Volunteering at Dinosaur Ridge by John Dolson 1:30
- Historical Tour with Founder 2:30

The 30th Anniversary Weekend is sponsored by the City of Lakewood, Strachan Exploration, Jeffco Open Space, Green Mountain Dental, Western Interior Paleontological Society, the Tempel Family, John and Debbie Dolson and Family, John and Diane Robinson, and New West Physicians.
