

# Green River Fossil Fish Dig

## May 24-26 2019

Join the Friends of Dinosaur Ridge, for an amazing weekend excursion! This trip will visit the Ancient Lake Fossils private, commercial quarry near Fossil Butte National Monument in Kemmerer, Wyoming.

Dig in their active split fish quarry and keep the fish you uncover! Friday and Saturday will feature guest speakers from Fossil Butte National Monument, Ancient Lakes Fossils, Inc., and Moments in Stone. Join us to learn more about the quarry, geology, and paleontology of the region.

*This could be you in the split fish layers!*
