
WALK DINOSAUR RIDGE WITH A SCIENTIST

SMALL-GROUP TOURS WITH EXPERTS

Walk With a Scientist Tours Friday, April 26, 10 am-4 pm – Dinosaur Ridge Main Visitors Center

Have you ever wondered about the science behind the discoveries and fossils at Dinosaur Ridge?

In celebration of our 30th anniversary, Dinosaur Ridge is giving you access to the experts. Join us for a 2-hour guided walking tour of Dinosaur Ridge with scientists who have spent their careers studying the geology, paleontology, and climatology of Dinosaur Ridge. These exclusive walking tours offer you private access to scientists who can give you insider secrets about all of the sites at Dinosaur Ridge. You may choose from four expert guides:

- Dr. Martin Lockley is a Welsh paleontologist who discovered the dinosaur courtship scratches and the first raptor track found in Colorado at Dinosaur Ridge.
- Kermit Shields received his geology degrees and spent his professional career with Mobil Oil in a variety of production and exploration jobs in both domestic and international offices. After retiring, he became an active volunteer at both the Denver Museum of Nature and Science and at Dinosaur Ridge.
- Dr. Libby Prueher is a volcanologist, a climate/sustainability consultant, and founder of LibbyTalks.com. She is a professor at multiple colleges in the Denver area, teaching sustainability, climate change, environmental science, and geology. This walk will examine what we have learned about past environments and climate from the study of Dinosaur Ridge and how volcanoes have helped us determine the ages of the rocks at Dinosaur Ridge.
- Norb Cygan has 65 years of practicing geology around the world and 25+ years as a guide at Dinosaur Ridge. He enjoys working with students of all ages.

Tours are 2 hours in length and will depart from the Dinosaur Ridge Main Visitor Center at 10:00, 10:30 and 11:00 am AND 1:00, 1:30 and 2:00 pm on Friday, April 26. Each tour is available for \$20/person and is limited to 15 people. Tours will depart rain or shine. The 30th Anniversary Weekend is sponsored by the City of Lakewood, Strachan Exploration, Jeffco Open Space, Green Mountain Dental, Western Interior Paleontological Society, the Tempel Family, John and Debbie Dolson and Family, John and Diane Robinson, New West Physicians, and Daisy's Front Porch.
