

Dinosaur Ridge Patio Rental Policies and Guidelines

Refunds:

Rentals may be subject to change, rescheduling, or cancellation if COVID-19 levels shift from Jefferson County. If Dinosaur Ridge must cancel your reservation due to COVID-19 policies, we will refund your rental fee. If you would like to reserve outside of the May through September season, please note that one-third of the rental fee will be non-refundable if – due to weather – Dinosaur Ridge is closed or you choose not to attend.

Covid Safety Protocols: You can find our current policies [on our website here](#).

What's Included in Your Patio Rental:

Your rental only includes usage of the space within your reserved time period for up to a maximum of 25 guests. The patio is an outdoor space with 5 picnic tables available. The patio is not weather-protected and there is no indoor rental space available. You can arrive up to 15 minutes prior to your rental time if needed for any set-up.

We encourage you to check out the Dinosaur Ridge “Party in a Bag!” available for purchase, and you are also welcome to bring your own decorations (we discourage helium balloons). **You must bring your own tape or string to hang or attach any decorations or tablecloths you bring or purchase through Party in a Bag!. Dinosaur Ridge does not supply these items.** You must have the space cleaned up by the end of your reservation window.

Food and Drink:

You are welcome to bring any party food and beverages (except for alcoholic beverages) that you'd like to bring! Keep in mind that we do not have a microwave or refrigerator on hand for you, so we do suggest that you bring a cooler and select food options that work well with our packed picnic atmosphere. Water access for the public is available with a hose or bathroom sink, but please consider bringing water for your guests. You can also purchase water in the gift shop.
